## "This do in Remembrance of Me."

John 1:29 "The next day John seeth Jesus coming into him, and saith, Behold the Lamb of God, which taketh away the sin of the world."

What an amazing announcement of the true reality of Jesus Christ. John spoke as the enlightened man he was, being full of the Holy Ghost since birth. While the life of Jesus as a human is so important in our doctrine, the Resurrection is the true meaning of Easter. Easter is a seemingly quiet holiday. There seems to be very little promotion in the world. Christmas is a worldwide event from inside the church and from the outside. It is filled with excitement and even division. The world struggles with

the name Christmas and tries to promote Xmas. People can try as hard as they want but there is no way to take Christ out of Christmas. While Easter comes in almost unannounced through most of the world, it comes at a most appropriate time, in the spring as the earth is beginning to bloom into its full adornment. We celebrate it within the Church with special services and even use it as a good time to buy new clothes. We like to be dressed in our finest on this day. My prayer is that we never forget the importance of Easter. The resurrection changes everything. Sins can be taken away, life becomes eternal, and a relationship with God is restored. Hebrews

7:27 speaks of Jesus like this "Who needeth not daily, as those high priests, to offer up sacrifice, first for his own sins, and then for the peoples: for this he did once, when he offered up himself." Oh what a glorious day. While not abolishing the Law, Jesus satisfies the Law...

Easter affects me in this way... As the day approaches, I don't know about you but the excitement begins to increase. I can almost feel the ground beginning to groan and to shake. My mind is carried to the place I met Jesus. Why yes I was lost, but at that time I was also afraid of my life and my death. Jesus brought salvation and

quenched my fears and with that everything changed in my life. Most Churches observe the Lords Supper. Within the scriptures we find our purpose for continuing with this ritual on a regular basis. We are told that each time we observe this to do in remembrance of me. This speaks of the body and blood of Jesus. Each year as Easter returns in my life it has the same emphasis to me. It should also remind each and every Christian of what Jesus means to them. It's a worldwide announcement to the Church. This do in remembrance of me.
